WANTED

**VOLUNTEER
MENTORS**

OUR VISION That every young person has the support and self-belief they need to fulfil their potential and dare to dream.

OUR MISSION To encourage young people, no matter what their circumstances, to believe they can achieve.

WHAT IS REQUIRED TO BE A MENTOR?

All young people need a champion. A caring adult who believes in them and walks beside them, encouraging and supporting them to unlock their potential.

Mentors for our Youth Mentoring Program:

- Undertake a screening process to protect the safety of the volunteer and young person.
- Receive face to face mentor training and ongoing post placement support.
- Are supported by a mentoring professional through the whole mentoring experience.
- Are matched to a young person based on interests, compatibility and location.
- Commit to approximately one to two hours per week during school hours for a minimum of 10 weeks (program duration varies depending on the mentee).
- You don't need qualifications, just a desire to make a difference in a young person's life and to help them build the skills and confidence needed to unlock their potential.

For more information or to register your interest in this project contact Gympie Region Volunteer Centre at volunteer@chsn.org.au or 0408 992 822.
